

Technical drawing of a mechanical part, showing a side view (A) and a front view (B). The part is a long, cylindrical shaft with a central section of length 1000 mm. The shaft has a diameter of $\phi 35$ mm. The central section is flanked by two sections of length 270 mm and 280 mm. The shaft is threaded with M24x2-6g. The drawing includes dimensions for the shaft's length (1000 mm, 270 mm, 280 mm), diameter ($\phi 35$ mm), and thread (M24x2-6g). It also shows a cross-section of the shaft with a diameter of $\phi 21$ mm and a length of 18 mm. The drawing includes a section line A-A and a section line B-B. The part is labeled with dimensions 6.3, 23, 27, 18, 2x4.5, and 2 факру.

B-B (2:1)
